What this program offers:

All roles are played by successfully auditioned students!

This is an Elite group meaning that the pace will be a little faster than that of our other youth programs. It is meant to offer those students who are serious about this art-form a focused environment in which they can further develop their performance skills.

Behavioral issues will not be tolerated in this program.

No experience is necessary but some skill is needed vocally even if it's simply a "natural gift" that we can nurture.

The expectation of the successful cast members will be to learn their lines at home as well as their music with the provided material guides, while artistic technique will be taught in class.

This program is designed to offer a fun, educational and theatrical environment led by experienced teachers in the industry.

Students will be trained through workshops and rehearsals in vocal technique, acting, stage movement, theatrical terms and theory.

Our focus is to build technical abilities with an outcome of a public performance that this group can be very proud of.

The cast will be work-shopped thoroughly in all aspects of Musical Theatre, developing skills that can also be applied to every day life.

There is a non-refundable audition fee of \$25.00/student.

If the auditioned candidate is successful in being placed in this group, this fee will be applied to their tuition for the session.

If the candidate is not successful it is non-refundable and will be put toward administration expenses and program materials. The audition fee may also be applied to any of our other youth programs within the same school year.
