"Annie" is a spunky Depression-era orphan determined to find her parents, who abandoned her years ago on the doorstep of a New York City Orphanage run by the cruel, embittered Miss Hannigan. In adventure after fun-filled adventure, Annie escapes from the orphanage and finds herself on a trial basis over the holidays in the home of billionaire Oliver Warbucks. The perfect heart-warming, holiday show for all ages.

'My Fair Lady' tells the story of the over-confident Professor Higgins and his experiment that attempts to transform a cockney girl, Eliza, into a proper-speaking lady. Higgins and his friend Colonel Pickering make great progress with the girl and even take her to the horse races and a grand ball. Nevertheless, they still treat Eliza as a mere experiment and not as a human being. When Eliza runs away, Higgins realizes that she is more than just an experiment; indeed he is in love with the girl. Perfect Family Entertainment
